

CitraFlor™ UTS-4B

Description:

CitraFlor UTS-4B is a unique blend of polar and non-polar solvents. Much of this product's cleaning power comes from high purity citrus terpenes distilled by Florachem for lower odor.

CitraFlor UTS-4B is the strongest combination of solvents Florachem offers for the most difficult-to-clean residues. It is used concentrated to remove adhesives, coatings, sealants, oils, and greases. Even though it does not contain surfactants, it is considered water rinsible.

CitraFlor UTS-4B is considered low in toxicity, readily biodegradable, contains no heavy metals, and is RoHS compliant.

Sales Specifications:

Appearance	Clear, Colorless to Slightly Yellow Liquid
Gas Chromatography	Matches Standard
Refractive Index @ 25°C	1.455 - 1.475
Specific Gravity @ 25°C	0.845 - 0.870

Packaging, Storage and Handling:

Available in 55-gallon drums (Net 177 kg) and 5-gallon pails (Net 15 kg). Store in cool, ventilated, fire resistant building. Shelf life is 36 months from date of manufacture in original, unopened drums. CitraFlor UTS-4B is considered a Class II Combustible Liquid by the US NFPA and OSHA.
