

SOLVEX™* HD

Description:

SOLVEX HD is a patented, non-flammable, fluorinated solvent for heavy duty precision cleaning applications. The product removes a wide range of soils including adhesives, buffing compounds, greases, hydraulic oils, particulate, solder fluxes and pastes, resins/inks, silicone oils, and waxes.

SOLVEX HD is designed for use in vapor degreasing processes and has typical properties that are ideal for cleaning high reliability parts and components with complex geometries and blind holes.

SOLVEX HD is considered low in toxicity, free of heavy metals, and RoHS compliant.

Sales Specifications:

Appearance	Clear & Bright
FTIR	Matches Standard
Density @ 20°C, kg/l	1.250 - 1.256

Packaging, Storage and Handling:

Available in 55-gallon metal drums (243 kg net) and 5-gallon metal pails (23 kg net). Store in cool, ventilated, fire resistant building. Shelf life is 36 months from date of manufacture in original, unopened drums. SOLVEX HD is considered a Non-Flammable Liquid by the US NFPA and OSHA.
